

**BARGE MASTER**

## Financial accounting specialist

### Company description

Barge Master is a fast growing company in the offshore wind industry. We are an innovative company that develops motion compensation solutions, such as platforms, cranes and gangways for the maritime and offshore industry. Barge Master's office is located in Rotterdam.

Barge Master will as of next year contribute to the construction of offshore wind farms, amongst others, of the coast of the USA with an innovative solution: the BM-Feeder. For this motion compensated feeder solution we will launch a new build program, which will require a significant increase of our teams. Watch a movie of our solutions:

### Job description

As a central point within our organization, you are jointly responsible for running our office. You will work in a dynamic organization, where you have a lot of freedom (and therefore also responsibility) to master this new role.

- Checking the hours in the time registration process for completeness, correctness and timeliness as well as responsible for the passage of these
- Support with the (monthly) invoicing process
- Support with the (daily) processing of purchase invoices and the payment process
- Maintaining contacts with customers and suppliers
- Hour administration and invoicing
- Accounts receivables and creditors administration
- Salary and tax administration
- Generating ad-hoc and periodical financial reports
- Monthly closing process

## Your profile

We are looking for an enthusiastic new colleague with the following profile:

- You have an MBO diploma (Accounting, Business Administration, Business Economics) with at least 2 years of relevant work experience OR an HBO diploma (Accounting, Business Economics) with at least 1 year of relevant work experience
- You have solid knowledge of accounts payable processes
- You are familiar with accounts payable and receivable processes
- You have experience with (co-)preparing financial reports
- You know your way around Excel and experience with accounting packages is a plus
- You are accurate, flexible and stress resistant
- You monitor the overview, communicate on time and can switch quickly
- You work in a structured way, even if you have different tasks and changing priorities
- You are fluent in Dutch and English languages
- You are available 32 to 40 hours a week

## Working at Barge Master

At Barge Master we work hard to deliver quality and finish our projects in time. We believe a stimulative company culture with enough room for fun motivates our people to do so. Our company is growing, and we want you to grow with it.

That is why working at Barge Master also means:

- Working in the exciting offshore wind industry that contributes to the energy transition
- An open, young and supportive working environment
- A remuneration that reflects the responsibilities
- Operating in a team with large individual powers
- A healthy and sustainable lunch, including a salad bar
- Many company events
- A beautiful view of Rotterdam from our 12th floor

## Procedure

If you are interested and would like to be part of a young, fast growing offshore company, please send an email with your motivation and CV to: [recruitment@barge-master.com](mailto:recruitment@barge-master.com). For further information you can contact Nathalie van der Vlist on 010-409 00 60.

**This vacancy is only for EU nationals.**

*We would like  
to hear from you!*
