The parking garage is accessible via the Tjalklaan and the Marconistraat (do not take the Schiedamse Weg).

The Europoint parking garage is situated directly next to the Science Tower.

Enter the entrance which says "Rotterdam Science Tower".

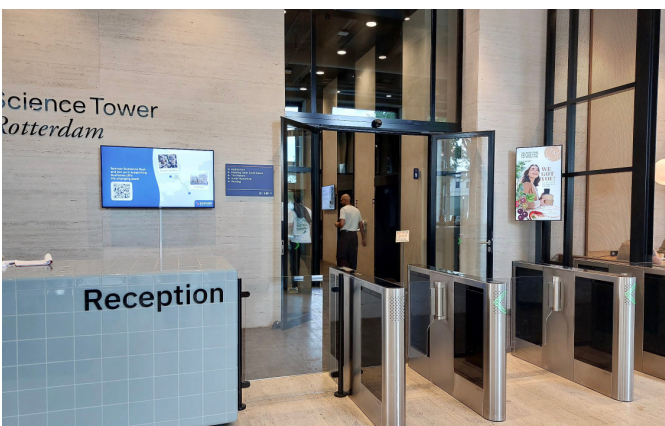

Please ring the bell at the parking entrance gate and give your name.

To enter Rotterdam Science Tower, take the side entrance to the building, opposite the parking garage.

Take a left into the lobby and walk through to the reception area.

At the reception, provide an ID and ask for a visitor's pass to get through the security gates.

Take the elevator to the 12th floor.

Barge Master is located on the 12th floor.

On the 12th floor, follow the lightboxes to the reception area. Ring the doorbell to be let in.

Once inside, the Barge Master office is on the left.
